Subject: MAP Request: Spring Tri-council & new Canadian Guidance on Alcohol & Health

Good morning,

I hope this message finds you well. We thank you for your continued support of our Cumberland Municipal Alcohol Project (MAP) group.

On its behalf, I am inquiring if your Mayors councils would be interested in hearing more about the new *Canadian Guidance on Alcohol & Health*, potentially at your tri-council Spring session if there is still time on the agenda? Please let us know if we can oblige with a presentation or short discussion at this time.

Thank you kindly,

Sophie Melanson
