TOWN OF AMHERST

IN THE TOWN OF AMHERST

WHEREAS it is desirable to permit the phasing-in, over a period of up to 10 years, of an increase to the taxable assessed value of commercial properties located in the Town of Amherst Commercial Development District and further to provide a partial rebate of taxes paid by the owner during the phasing-in period;

AND WHEREAS Chapter 13 of the Acts of 2016 amended the Municipal Government Act (Chapter 18 of the Acts of 1998) to create Sections 71C and 71D, which allows the Town with the approval of the Minister of Municipal Affairs to pass this Bylaw;

The Council of the Town of Amherst, under the authority of the Municipal Government Act, pursuant to Section 71C and subject to approval of the Minister in Section 71D, enacts the following Bylaw:

SHORT TITLE

1. This Bylaw shall be known as Bylaw No. P-9, and may be cited as the “Commercial Development Support Bylaw”. (also known as the CDS Bylaw)

APPLICATION

2. This Bylaw shall apply to a property which meets the definition of an eligible property as defined in subsection 71C(1) of the *Municipal Government Act*, if that property is located within the **Commercial Development District (CDD)** as prescribed in the *Town of Amherst Municipal Planning Strategy* and as depicted in the Industrial, Comprehensive Development District, and all Commercial Zones on the Land Use Zoning Map, attached as Schedule A of this Bylaw.

DEVELOPMENT SUPPORT PROGRAM

3. The **Development Support Program** is established to provide assistance to owners of eligible property by providing the possibility of an annual partial rebate on taxes paid by the owner if the owner has undertaken development of their property in the CDD. The rebates are designed to stimulate building construction and the expansion of the economy of the Town.
4. The Development Support Program may provide a participating owner with a partial rebate on taxes paid on an eligible property by utilizing all or a portion of the “Rebate Eligible Assessment.”
5. Prior to receiving a Development Support, an owner of an eligible property must enter into Phased In Assessment Agreement with the Town.

DEVELOPMENT

6. An eligible property must undergo development before the owner of the property can participate in the Development Support Program.

DEFINITIONS

7. **Development** means any new building, expansion of an existing building, or any renovation that requires a Building Permit and has a minimum project cost of \$25,000.

8. **Rebate Eligible Assessment** means the amount calculated using the following formula:

Rebate Eligible Assessment = Actual Taxable Assessed Value – Base Year Taxable Assessed Value

9. **Base Year Taxable Assessed Value** means the Taxable Assessed Value applicable for the taxation year in which a Phased In Assessment Agreement is signed for the eligible property upon which development is to be constructed. The Base Year Taxable Assessed Value means the Taxable Assessed Value shall be fixed in this manner for the purpose of determining the Rebate Eligible Assessment for the development of the eligible property subject to any adjustment arising from assessment appeals or changes to the Taxable Assessed Value made by the Property Valuation Service Corporation (PVSC) through requests for reconsideration, and shall remain unchanged for the duration of the term of the Development Support Program for the eligible property.

10. **Actual Taxable Assessed Value** means the Taxable Assessed Value is established by the PVSC in the year following the completion of the Development. For further clarity, the Actual Taxable Assessed Value will not change for the purposes of the Development Support over the course of the program.

PHASED IN ASSESSMENT AGREEMENT

11. (1) As a condition of the Development Support Program, an owner of an eligible property must enter into an agreement with the Town (hereinafter referred to as the “**Phased In Assessment Agreement**”). The Phased In Assessment Agreement signed by the parties will be substantially the same as the form agreement attached as Schedule B to this Bylaw and forming part of the Bylaw.

(2) A Phase In Assessment Agreement establishes the eligibility criteria for the Development Support Program and the limits on the program as established in this Bylaw. In the event of a conflict between a Phased In Assessment Agreement and the Bylaw, the provisions of this Bylaw shall prevail.

REBATE CALCULATION

12. An annual Assessment Rebate amount shall be calculated as the following percentage of the equivalent of the Rebate Eligible Assessment:

Year	Rebate (as % of the rebate eligible assessment)
1	90
2	80
3	70
4	60
5	50
6	50
7	40
8	30
9	20
10	10

REBATE LIMITS

13. The total of Assessment Rebates provided over the term of participation in the program must not result in calculation of the total increase in taxes payable during the phase-in period being less than fifty percent of the total increase in taxes that would be payable during the same period in the absence of the application of the program formula.

ADJUSTMENTS

14. In the event there are any subsequent changes to the total taxes payable in any year due to reductions resulting from assessment appeals, and where such tax changes occur after rebate amounts have been paid, future year rebate entitlements may be reduced accordingly. Any overpayment of rebate amounts arising from subsequent assessment or tax reductions will be deemed to be a debt owing to the Town.

DURATION

15. Assessment Rebates will only become payable to the owner after the eligible property is first reassessed by PVSC to fully reflect the development that the owner is receiving the rebate for.
16. All rebates will cease if during the program term the building is demolished except to expand an eligible use. Rebate amounts that would have been payable in the year in which the demolition occurs will be adjusted on a pro-rated bases to reflect the date of the demolition.

STAGED DEVELOPMENT

17. In the case of a staged development, where one portion of a property is developed in advance of others, each portion of the property will be treated as a separate property. The first rebate payment of the component of the Development Support Program will be based on the Rebate Eligible Assessment arising from the increased assessment on the first portion of the development. As other portions of the property are developed, and which result in further assessment increases, the property owner may apply to further participate in the Development Support Program based on the additional Rebate Eligible Assessment, subject to the continued availability of the Development Support Program and the owner's ability to meet the eligibility requirements and rebate entitlements in place at that time.

CONDOMINIUMS

18. If a development of an eligible property is condominiumized, each condominium unit will be treated as a stand-alone development and must be able to meet all eligibility requirements of the Development Support Program, independent of other condominium units.

REPEAL

19. (1) In the event that this Bylaw, or any portion thereof, is repealed, any owner who has been accepted to participate in the Development Support Program prior to the date of repeal will benefit from the program, as applicable, in accordance with this Bylaw, despite its whole or partial repeal.

OTHER CONDITIONS

20. An owner's application to the Development Support Program must be made prior to the issuance of a Building Permit for the Development of the property.
21. All proposed development must conform to all Provincial laws, Town Bylaws, policies, and processes and all improvements must be made pursuant to an approved Building Permit and applicable zoning requirements and Development approvals.
22. The applicant must be the owner of the eligible property or have the owner's written authorization to apply for the Development Support Program.
23. The owner of an eligible property must not be in arrears of property taxes or other fees and charges on the date that the Phased In Assessment Agreement is signed.

PAYMENT

24. Rebates may be provided once annually, in the last quarter of the year, provided that:
 - a. There are no outstanding taxes, water rates, or other sums owed to the Town with respect to the property;
 - b. There are no outstanding work orders or orders or requests to comply from any municipal or provincial entity; and
 - c. All other eligibility criteria and conditions are met.
25. Assessment Rebates will not be applied as tax credits against property tax accounts.
26. In case of an assessment appeal, the Town reserves the right to withhold any further Assessment Rebates pending final disposition of the appeal.

 - (c) The Applicant is in compliance with all of the terms and conditions of this Agreement and is in conformance with all Building Permits and other regulatory approvals pertaining to the Property; and
 - (d) The property has undergone development.

4. ASSESSMENT REBATE FUNDING CALCULATION

- 4.1 An Assessment Rebate is calculated by the Treasurer as a percentage of the Rebate Eligible Assessment as shown in Schedule “F” of this Agreement.
- 4.2 Prior to the commencement of the Development Support Program, the Treasurer shall determine the Base Year Taxable Assessed Value used to calculate the annual Rebate Eligible Tax Assessment and the corresponding annual Assessment Rebate payable to the Applicant. Following this determination, Schedule “F” will be amended annually to show the Actual Taxable Assessed Value, the Rebate Eligible Taxes, and the annual Assessment Rebate amount payable as determined by the Treasurer.
- 4.3 The Applicant shall have an opportunity to review the TREASURER’s calculation of the Base Year Taxable Assessed Value prior to the finalization of Schedule “F”; however, the TREASURER’s determination as to the calculation of the Base Year Taxable Assessed Value, and the amount of the Assessment Rebate, shall be final.

- 4.4 In calculating the annual Assessment Rebate payable for the development, the Rebate Eligible Assessment shall be calculated annually from the first year that the subject Assessment Rebate is payable, or the first year that the Owner elects to make the Annual Taxable Assessed Value election in accordance with this Agreement and CDS Bylaw.
- 4.5 The Assessment Rebate will be reduced by the Treasurer for the year in which a Assessment Rebate is paid, to reflect the amount of any rebate(s) of municipal taxes paid to the Owner, including but not limited to, rebates to reflect charitable status tax rebates related to the development. Any such reductions shall be in an amount reflecting the product of the municipal portion of taxes rebated and the Assessment Rebate percentage level applicable to that year.

- 4.8 The Rebate Eligible Assessment will be amended by the Treasurer, as necessary, to reflect changes to the total Municipal Property Taxes payable in any year, as a result of successful assessment appeals, requests for reconsideration, equity changes, gross errors or other changes to Actual Taxable Assessed Value that have the effect of changing the amount used to calculate the Actual Taxable Assessed Value.
- 4.9 Where the Rebate Eligible Assessment is amended in accordance with section 4.8, future Assessment Rebates shall be adjusted accordingly for the duration of the Development Support Program period. Such adjustments may reflect any overpayment of Assessment Rebate arising from successful assessment appeals that occur subsequent to the commencement of payment of Assessment Rebates.
- 4.10 If at any time the Owner appeals any assessment relating to the development that, in the opinion of the CAO, may impact the calculation of the Rebate Eligible Assessment, the Town shall withhold any or all of the Assessment Rebate that would otherwise be paid for the development, based on a reasonable estimate of the reduction in assessment being sought, pending final disposition of the appeal. If as a result of the decision of the appeal body, the Actual Taxable Assessed Value is reduced below the amount determined in calculating the Rebate Eligible Assessment, then the reduced Rebate Eligible Assessment shall be the basis for determining the Assessment Rebate payable under this Agreement.
- 4.11 Where section 4.9 and 4.10 apply, any overpayment of a Assessment Rebate arising from subsequent assessment or tax reductions will be deemed to be a debt

owing to the Town which the Owner shall pay forthwith together with the same interest charged for overdue accounts by the Town.

- 4.12 If at any point after the development is complete, additional work is proposed on the Property that is not part of the original Program application, but may serve to further increase the current year tax assessed value, such additional work shall not be included in the calculation of the Assessment Rebate in this Agreement, but may be the subject of a further Development Support Program application, subject to the continued availability of the Development Support Program and the eligibility requirements and rebate entitlements in effect at that time.

- 5.1 Subject to Section 6 of this Agreement, Assessment Rebate payments to a maximum of ten (10) annual payments will commence being paid the first taxation year in which the Rebate Eligible Assessment is capable of being determined.

NOTICE OF PUBLICATION

Advertised in the September 29, 2017 edition of the Amherst News

Notice is hereby given that Amherst Town Council, at a meeting held June 26, 2017, amended the Municipal Planning Strategy and adopted a new Bylaw Respecting Commercial Development Improvements. The Minister of Municipal Affairs approved the bylaw on September 14, 2017. As of the date of this notice the Bylaw is in effect.

This bylaw will regulate a commercial property investment incentive program that will allow a commercial tax increase as a result of an investment to be phased in over a period of up to ten years. The Municipal Planning Strategy is amended by adding Policy GP-13 that establishes eligibility under the subject Bylaw as those properties zoned Commercial, Industrial, and Comprehensive Development District under the Zoning Map of the Land Use Bylaw.
