SUBJECT: Bylaw Respecting Discharge into Public Sewers D-3

ORIGIN: A complete policy and bylaw review is a one of Council's strategic priorities.

LEGISLATIVE AUTHORITY: MGA section 47(1) states; The council shall make decisions in the exercise of its powers and duties by resolution, by policy or by by-law.

RECOMMENDATION: That Council give second reading of the amendments to the Bylaw Respecting Discharge into Public Sewers D-3.

BACKGROUND: This purpose of the wastewater discharge bylaw is to protect the Town's sewer infrastructure, which include the sewer lines, sewage pump-stations and the wastewater treatment plant. Any wastewater discharge in excess of the parameters set forth in the bylaw have the potential to cause damage to sewer infrastructure and create treatment problems.

DISCUSSION: Upon review, staff are recommending the following amendments to the wastewater discharge bylaw:

New Section

2. PURPOSE

- (1) This Bylaw outlines the controls for connections and discharges to public sewer systems. The objectives of the Bylaw are to:
- (a) Protect the sewer collection system from corrosion, damage, and obstruction
 - (b) Protect the wastewater treatment process from upset
 - (c) Protect the public, municipal workers, and property from hazardous conditions
 - (d) Protect the environment

Definition section amended

- (b) "Building Service Connection" means any piping system which conveys sewage or liquid waste from the buildings on any property to a public sewer;

The proposed changes help to provide clarity on the intent and interpretation of the bylaw.
