MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The consolidated financial statements of Town of Amherst have been prepared in accordance with Canadian public sector accounting standards. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of Town of Amherst's reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Mayor and Council are responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Mayor and Council carry out this responsibility principally through its Audit Committee. The Audit Committee is appointed by the Mayor and Council and meets periodically with management and the Mayor and Council auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, the Audit Committee reports to the Mayor and Council prior to its approval of the financial statements. The Committee also considers, for review by the Mayor and Council and approval by the Mayor and Council, the engagement or re-appointment of the external auditors.

The consolidated financial statements have been audited on behalf of the Mayor and Council by McIsaac Darragh Inc. Chartered Professional Accountants. The accompanying Auditor's report outlines their responsibilities, the scope of their examination and their opinion on the Town's consolidated financial statements.

Mr. Jason MacDonald, Chief
Administrative Officer

Ms. Sarah Wilson, Director of Finance

Amherst, NS

INDEPENDENT AUDITOR'S REPORT

To the Mayor and Councillors of the Town of Amherst

Opinion

We have audited the consolidated financial statements of Town of Amherst (the Town), which comprise the consolidated statement of financial position as at March 31, 2024, and the consolidated statements of operations and accumulated surplus, remeasurement gains and losses, change in net assets (debt) and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town as at March 31, 2024, and the consolidated results of its operations and consolidated cash flow for the year then ended in accordance with Canadian public sector accounting standards (PSAS).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Town in accordance with ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Independent Auditor's Report to the Mayor and Councillors of the Town of Amherst (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Town of Amherst are the representations of management prepared in accordance with Generally Accepted Accounting Principles for local governments as established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

The focus of PSAB financial statements is on the financial position of the Town of Amherst and the changes thereto. The Consolidated Statement of Financial Position includes all of the assets and liabilities of the Town of Amherst.

Significant aspects of the accounting policies adopted by the Town are as follows:

a) Basis of accounting

Revenues and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable and expenses as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

b) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenditures and changes in net assets and in financial position of the reporting entity. The reporting entity is comprised of all organizations and enterprises accountable to the Town of Amherst for the administration of their financial affairs and resources and which are owned or controlled by the Town of Amherst, namely:

- General Operating and Capital Funds
- Water Operating and Capital Funds
- Operating and Capital Reserve Funds
- 40.446% of Cumberland Joint Services Management Authority

For consolidation purposes, inter-departmental and inter-organizational transactions have been eliminated.

c) Financial Instruments

The Town's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable, accruals and long term debt. All financial instruments are measured at cost or amortized cost. It is the opinion of management that the Town is not exposed to significant interest or currency risk arising from these financial instruments.

The Town is subject to credit risk with respect to taxes receivable to which the Town provides services. An individual may experience financial difficulty and be unable to fulfill their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk as does the Town's collection policy.

The carrying value of the financial instruments approximates fair value.

d) Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash on hand and balances with banks, net of bank indebtedness, including reserves and restricted cash.

e) **Deferred revenue**

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenses are incurred, services are performed or when stipulations are met.

f) Employee future benefits

The Town contributes to multiple pension plans for its employees.

- I. Employees hired before September 2007 are part of a defined benefit plan administered by Manulife Financial which is accounted for using the deferral and amortization approach. The present value of the cost of providing employees with future benefits programs is expensed as employees earn these entitlements through service. The cost of the benefits earned by employees is actuarially determined using the projected cost method pro-rated on service and management's best estimate of retirement ages of employees and expected health care and other costs.
- II. Employees hired after September 2007 are part of a defined contribution pension plan administered by Manulife Financial. Contributions are expensed when due.
- III. Employees in the Police Local 104 union are part of a multi-employer defined benefit plan, administered by the Atlantic Police Association, which provides a pension on retirement based on the member's age at retirement and length of service. Contributions are expensed when due.
- IV. Employees in the Police Local 104 union are provided with sick leave benefits. The cost of non-vesting sick leave benefits is calculated based on management's best estimate.

g) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the consolidated change in net financial assets for the year.

h) **Inventory**

Inventory is valued at the lower of cost and net realizable value. Cost is being determined on a first-in first-out basis.

i) Tangible Capital Assets

Tangible capital assets are recorded at cost. Amortization and depreciation have been recorded as an expense and calculated on a straight-line basis over an asset's estimated useful life. Assets under construction are not amortized until the asset is put into use. Amortization and depreciation are recorded as an expense commencing in the year following acquisition.

The Town records depreciation in the Water Utility Operating Fund which is calculated based on rates prescribed by the Nova Scotia Utility and Review Board. The annual depreciation amount is transferred to the Water Utility Capital Fund and is used to help fund tangible capital asset additions.

j) Taxation and related revenue recognition

Property tax revenue is based on assessment as determined by Property Valuation Services Corporation. Tax rates are set annually. Taxation revenues are recorded at the time tax billings are issued (twice annually). Assessments are subject to appeal. Penalties on overdue taxes are recorded in the period levied.

k) Other revenue recognition

- Other revenue from own sources, including sales of services, is recognized when services are performed and/or when earned as long as amounts can be reasonably estimated and collection is reasonably assured
- Investment income earned on operating funds, capital funds and reserve funds are reported as revenue in the period earned.

Government Transfers

Conditional and unconditional government transfers are recognized in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria and stipulations have been met, and reasonable estimates of the amounts can be made. Transfers are recognized as deferred revenue when amounts have been received but not all eligibility criteria have been met.

m) Use of Estimates

In preparing the Town's financial statements management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates. The Town relies on estimates to calculate pension liability, sick leave liability, allowance for doubtful accounts, asset retirement obligations, and the amortization and depreciation expense.

n) Budget

The budget figures contained in the schedules to the Financial Statements were approved by Council on February 27 and April 24, 2023. Note 22 outlines the original fiscal plan and the adjustments to come to the budget figures shown in these consolidated financial statements.

o) Segmented Information

The Town of Amherst is a diversified municipal unit that provides a wide range of services to its residents. For management reporting purposes, the Town's operations and activities are organized and reported by fund. This presentation is in accordance with the Provincial Financial Reporting and Accounting Manual, and was created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. Municipal services are provided by departments and their activity is reported in these funds. The services provided by these departments are as follows:

General government services

This department is responsible for the overall financial and local government administration. Its tasks include tax administration, trade payables and receivables, budgets, financial statements and adherence to the *Municipal Government Act*.

Protective services

The Town is primarily responsible for fire protection and public safety to its residents. The Town pays the operating and capital expenditures for the police and fire departments. Other protective services include building inspection, emergency measures, bylaw enforcement and fees paid to the province for correctional services.

Transportation services

The Town is responsible for the maintenance and construction of local roads and sidewalks including snow removal, as well as, street lighting within the Town.

Environmental health services

This department is responsible for the maintenance and operations of waste and sewer services provided to the residents and other customers.

Public health services

This department provides financial assistance to Housing Nova Scotia to cover the deficits of the public housing authorities in the region.

Environmental development services

This department is responsible for the activities that support and control the Town's economic development including environmental planning and zoning, industrial park development, tourism and community development. The Town is a partner in the Cumberland Business Connector which does economic development for Cumberland County.

Recreation and cultural services

This department is responsible for promoting and offering recreation services to the Town's residents, specializing in maintaining and assisting recreational facilities within the Town such as the stadium, parks, trails as well as the library.

Education

Mandatory education transfers to the Chignecto-Central Regional Centre for Education.

Water utility

Activities related to the operations of the Town of Amherst Water Utility, a 3,520 (2023 – 3,520) customer utility that operates a water treatment plant and related infrastructure.

2. CONTRIBUTION TO BOARDS AND COMMISSIONS

The Town of Amherst is required to finance the operations of various boards and commissions, along with other Municipal Units in Cumberland County to the extent of its participation based on assessment or population formula.

Cumberland Business Connector

The Town of Amherst along with other municipal units funds a portion of the Cumberland Business Connector. For 2024 the Town's cash contribution was \$72,600 (2023 - \$67,536). Additionally, an in-kind contribution of \$20,000 for rent and bookkeeping services was provided. The Cumberland Business Connector is a business led, not for profit organization. The focus of the Cumberland Business Connector is to foster a strong business environment

in order to strengthen Cumberland County by removing barriers to business and connecting businesses with the resources they need to be successful.

Cobequid Regional Housing Authority

The Town of Amherst along with other municipal units is required to finance its share of the operating deficit in the Cobequid Regional Housing Authority out of current year's operations. The deficit financed for 2024 was \$313,144 (2023 - \$263,502).

Cumberland Public Libraries

During the year, the Town of Amherst paid \$93,300 (2022 - \$87,299) to the Cumberland Public Libraries. The Town of Amherst does not share in any surplus or deficits.

3. CONTRIBUTION TO PROVINCIAL GOVERNMENT DEPARTMENTS & AGENCIES

The Town of Amherst is required to finance the operations of various provincial government departments and boards, along with other municipal units in the province, based upon formulas defined in legislation.

Education Contribution

The Town of Amherst is required to contribute to the Chignecto Central Regional Centre for Education based on a formula calculation. For 2024 the education contribution was \$1,711,188 (2023 - \$1,643,208).

Corrections Contribution

Municipalities in Nova Scotia are required to make a mandatory contribution to fund the cost of correctional services. The contribution is set by Provincial formula. During 2024 the Town of Amherst paid \$106,463 (2023 - \$108,150) to the Province for correctional services.

Assessment Services Contribution

The Town of Amherst is required to contribute to Property Valuation Services Corporation based on a formula calculation. For 2024 the assessment services contribution was \$109,994 (2023 - \$112,038).

lotai	\$ 2,291,120	φ 1,979,040		

Sick leave liability - The Town's employees in the Police Local 104 union earn sick leave per year at the rate of 12 hours for every 173.3 hours worked or 144 hours per year. Maximum accumulation of sick leave is 1,560 hours. Upon termination, the balance is not paid out. The accrued sick leave liability has been estimated based on management's estimate of the future use of accumulated sick time at year end. The estimated balance of \$125,000 is included in accrued liabilities (2023 - \$125,000).

Tax sale surplus - The Municipal Government Act requires a twenty year holding period for maintaining these funds in trust. The earliest any of these would be brought into revenue is anticipated to be 2028.

11. PENSION LIABILITY

Defined benefit pension plan

The Town maintains a defined benefit pension plan, which provides benefits to employees upon retirement who were hired prior to September 11, 2007. The accrued benefit obligation as at March 31, 2024 is based on an actuarial valuation for accounting purposes as at December 31, 2022. The next actuarial valuation for accounting purposes is to be prepared as of December 31, 2025. The accrued benefit obligation has changed due to, among other assumption changes, an increase in the expected long-term rate of return on plan assets, partially offset by an increase in the discount rate. All assets are held in various Manulife Funds.

	Estimated		Estimated
	March 31, 2024	N	March 31, 2023
Accrued benefit obligation	\$ 14,931,000		\$ 15,177,500
Fair value plan assets	16,090,300		14,901,300
Funded status (plan deficit)	\$ 1,159,300		\$ (276,200)

The significant actuarial assumptions adopted in measuring the Town's accrued benefit obligation as at March 31, 2024 were as follows:

	March 31, 2024	March 31, 2023
Expected long-term rate of return on plan assets	5.65%	5.75%
Rate of compensation increase	2.75%	2.75%
Discount used to determine benefit obligation	5.65%	5.75%

The Post-retirement mortality assumption was based on CPM Mortality Table with generational projection using improvement scale CPM-B.

An actuarial valuation of the pension was performed for accounting purposes using the projected benefit method prorated on service. The unamortized actuarial loss is amortized over the expected average remaining service life ("EARSL") of the employee group; EARSL in 2024 was 3 years (2023 – 4 years).

	Mar	ch 31, 2024	Mar	ch 31, 2023
Accrued benefit obligation, net of plan assets	\$	1,159,300	\$	(276,200)
Unamortized actuarial loss		(1,578,600)		(282,500)
Benefit liability recorded in the Statement of				
Financial Position	\$	(419,300)	\$_	(558,700)

The following chart outlines the required going-concern unfunded liability payments for the upcoming fiscal years:

	Annual						
	amortization						
Fiscal year	year payment						
2025	\$ 118,900						
2026	\$ 118,900						
2027 -2033	\$ 118,900						

During the year, the Town contributed \$154,901 (2023 - \$169,280) and employees contributed \$78,431 (2023 - \$81,976) to the plan. Benefit payments for the year totals \$780,400 (2023 - \$1,047,700).

Defined Contribution Pension Plan

The Town and employees each contribute 6% of eligible income to the pension plan. The Town's expense for defined contribution plans for 2024 was \$179,309 (2023 - \$159,201).

Pension Plan for the Town of Amherst Members of the Atlantic Police Association
The Town and employees each contribute 9% of eligible income to a multi-employer defined benefit pension plan. The Town is responsible for contributing its portion of any going concern deficiency.

The most recent actuarial valuation for the plan was completed for December 31, 2019 and indicated the plan had a going concern surplus of \$12,938,000 and a solvency liability of \$7,061,000. There are no special payments required for the Atlantic Police Association pension plan. The Town's expense for multi-employer plans for 2024 was \$257,595 (2023 - \$241,018).

Across all plans, the Town contributed \$684,806 (2023 - \$642,424) to employee pension plans.

12. LAND LEASE NSPI - SOLAR FARM

The Town of Amherst entered into an "in kind" lease arrangement with Nova Scotia Power Incorporated (NSPI) effective December 17, 2020. This lease allows NSPI to operate a 2-megawatt Solar Garden on 15 acres of Town-owned land along Tupper Boulevard, for a term of 30 years

14. COMMITMENTS

- a) The Town entered into an agreement with Cumberland Business Connector to provide three year of operational funding up to \$85,000 per year plus an additional \$20,000 inkind contribution by providing office space and accounting support. As of March 31, 2024 there is one year remaining under this agreement.
- b) The Town entered into an agreement with Miller Waste Systems Inc. for solid waste collection until March 31, 2029. The Town committed to paying \$2,525,979 over the 5 year term.
- c) On June 26, 2023, the Town has committed a community support grant to the Lillian Albon Animal Shelter capital campaign in the amount of \$50,000 per year with the final payment in fiscal 2026.
- d) The Town has committed a community support grant to Maggie's Place Youth Centre in the amount of \$33,750 per year with the final payment in fiscal 2025.
- e) Cumberland YMCA operational funding of \$121,210 per year until fiscal 2029. Adjusted annually for CPI.

15. CONTINGENCIES

In the normal course of operations, the Town becomes involved in various claims and legal proceedings. While the final outcome with respect to claims and legal proceedings pending at March 31, 2024 cannot be predicted with certainty, it is the opinion of management and council that resolution of these matters will not have a material adverse effect as the Town maintains insurance coverage in amounts considered appropriate.

16. LIABILITY FOR CONTAMINATED SITES

The Town has a garbage disposal site which was abandoned in 1978. There is no indication of ongoing contamination, and no provision has been made for possible remediation.

17. ASSET RETIREMENT OBLIGATION

Asset retirement obligations are legal obligations associated with the retirement of tangible capital assets. As at March 31, 2024 there are no known asset retirement obligations.

18. OTHER REVENUE

	 2024	 2023
Pension liability adjustment	\$ 139,400	\$ 165,700

19. TRUST FUNDS

The Trust Fund being administered by the Town of Amherst is not consolidated with the accounts of the Town. At March 31, 2024, the equity in the Trust Fund under its trusteeship amounted to \$5,528 (2023 - \$5,277).

	<u>R.</u> F	I. Smith
Beginning balance April 1, 2023 Investment Income	\$	5,277 251
Ending balance March 31, 2024	\$	5,528

20. GOVERNMENT PARTNERSHIP

Generally Accepted Accounting Principles for local governments as established by the Public Sector Accounting Board (PSAB) require a government's pro rata share of each of the assets, liabilities, revenues and expenditures (including capital expenditures) of any government partnership to be combined on a line by line basis with similar items in the government's financial statements. The Town of Amherst has a partnership with Cumberland Joint Services Management Authority (CJSMA) which actively operated through February 1, 2022 a landfill site in Little Forks. The Town of Amherst's 2024 pro rata share of 40.446% (2023 – 40.446%) of CJSMA is included in these financial statements.
