RE: Update: 32 Park Street (PID: 25025362)

---

**Registered Owner:** Karen McKinnon & Stephen Parsons

**Update:**

At the July 2, 2024, meeting of the Planning Advisory Committee, the committee ordered the demolition of the building located at 32 Park Street within 90 days of that meeting. On August 25<sup>th</sup>, we received communication from the new owner. An application for a demolition permit was received on September 16<sup>th</sup>, and the permit was issued the following day. There appears to be significant process occurring at the property and it has been confirmed with the contracted company that the building is scheduled to be demolished by mid-October.
