

Amherst Police Board,  
c/o Mr. Paul Calder

October 29, 2018

Attention: Amherst Police Board

Your support of the goals and objectives of the NSAPG has been greatly appreciated. The challenges & complexity of policing in Nova Scotia continue and the NSAPG continues to promote municipal policing in its' dealings with the Nova Scotia Chiefs of Police Association and the Minister of Justice. We hope that our membership in the Canadian Association of Police Boards, and our liaison with other Public Safety organizations will allow us to champion the views of Police Boards in Nova Scotia and gain valuable information that we can pass on to our member Boards. We hope you will continue to support the NSAPG as we move forward. Your membership renewal form is included.

Yours in policing,

*David*
