

SYNOPSIS

Provincial Capital Assistance Program

There are two projects in the 2019 / 2020 Capital Budget for which the Town is preparing funding applications under the Provincial Capital Assistance Program. These projects are Edgewood Avenue Storm Sewer and Water upgrades at an estimated cost of \$39,000 and the LaPlanche River Lift Station Upgrades at an estimated cost of \$125,000. When applying for more than one grant, the Town must prioritize the projects.

Motion:

That for purposes of applying for grants under the Provincial Capital Assistance Program (PCAP) our priorities are 1) LaPlanche River Lift Station Upgrades and 2) Edgewood Drive Storm Sewer and Water Upgrades.
