	12 June 2015	25 May 2016	03 October 2016
	23 January 2017	23 May 2018	

PURPOSE:

To establish a schedule of user fees for Council to review for appropriateness and to revise if necessary during the annual budgeting process.

POLICY STATEMENT:

It is appropriate for Council to charge fees, as authorized under the *Municipal Government Act*, in the Town's Bylaws, Policies and Procedures in order to defray its administrative costs. In order to allow for a systematic and thorough evaluation of those fees, a comprehensive schedule of User Fees with applicable tax status has been established. The responsibility for the accuracy of the Schedule shall rest with the department to which a fee applies. Any additions/deletions to the Schedule will be updated by the Executive Office. Those fees legislated under Provincial and/or Federal Acts and Authorities will also be shown on the schedules for completeness, but will not be subject to change by Council.

OBJECTIVES:

To make the administration of the cost recovery portion of the Town's Bylaws, Policies and Procedures more efficient and to determine the impact on each year's projected revenues during the budget process. By combining all of the fees in one document, the review will be more visible and complete.
