

To: Planning Advisory Committee
From: Andrew Fisher, Manager of Planning & Strategic Initiatives
Date: April 4, 2019
Subject: 2019 NS Planning Conference: May 29-31

Each year a 3-day planning conference is held in Halifax that runs from Wednesday afternoon to Friday noon. The theme this year is "Housing For All Sharing Stories". Attached is a list of keynote speakers, and a detailed program will be provided as soon as it is finalized. In addition to various sessions and presentations and networking events, a workshop will be held on Wednesday afternoon called "Planning 101" that provides an overview of the planning process aimed at councilors and PAC resident members.

The Town offers PAC members an opportunity to attend the conference at no cost, subject to the Town's Travel Expense Policy. If you are interested in attending, please let the Clerk's office know by April 29th and hotel / registration arrangements will be made for you.
