

# MEMORANDUM

TO: Mayor Kogon and Members of Council

FROM: Gregory D. Herrett, CPA, CA  
Chief Administrative Officer

DATE: June 17, 2019

SUBJECT: Request for Assistance – Mural Removal

---

Attached is a letter received from Mr. Kevin Nelson requesting financial assistance for the removal of the North Nova Highlanders Mural from his building at 10 Havelock Street.

It is noted that elsewhere on the agenda for this evening's meeting Council will be considering Gritty to Pretty 2.0, providing assistance to business owners with the façade of their buildings. It is suggested that Mr. Nelson be encouraged to apply to that program for funding in enhancing the outside of his building.
